Report of Principal and School Improvement Council

Carver Elementary School provides excellent services for approximately 920 students from pre-kindergarten to 4th grade. Our mission is to prepare students to become productive, responsible citizens and lifelong learners. Carver is an award-winning school, meeting AYP for the past 7 years. Other state recognition includes "Closing the Achievement Gap" between subgroups in 2004, 2006, 2007, 2008, 2009, 2010 and 2011, receiving the Palmetto Gold and Silver Awards, as well as receiving the National Blue Ribbon Award and the Physical Fitness and Healthy School Awards. Carver has also been recognized as a Red Carpet School, School of Promise and a SMART Showcase Elite School.

Carver has an exceptional staff. There are 13 National Board Certified teachers on staff, 71% hold advanced degrees, and 100% of the full-time and paraprofessional teaching staff meet the federal standards of "Highly Qualified". Teachers pursue ongoing professional development to ensure that best practices are available to all students.

Carver utilizes an integrated, standards-based curriculum that emphasizes technology. Technology resources used to engage students include a portable wireless lab, software programs, Internet resources, computer lab activities, SMART Boards, Smart Response Systems, Flash masters, and streamline videos. Carver has a balanced language arts program providing a literacy lab, Reading Renaissance, and "Write...from the Beginning," a writing program that is used in K-4. In Math, a variety of hands-on programs such as Everyday Math, Everyday Counts Calendar Math and Math 4 Today are used.

MAP testing is done in the fall to help identify student levels in reading, language, and math, and again in the spring to determine growth in these areas. Compass Learning-Odyssey, a computer-based program, is used in conjunction with MAP to provide engaging activities for differing levels of achievement and learning styles.

Other programs include a computer lab, art, music, and physical education.

At Carver, our parents and community are involved. Carver has an active PTO and School Improvement Council. Volunteers can be found leading the Thanksgiving Festival, serving as tutors and mentors, and working with our Positive Behavior System (Bear Bucks), just to name a few areas. Carver has numerous contributors and community, business, and college partners.

Carver offers many enrichment opportunities for our students, which makes our school truly a great place for children to learn.

Chris Rogers, Principal

Marcy Miller, Chairperson, School Improvement Council

ESEA/Federal Accountability Rating System

In July 2012, the South Carolina Department of Education was granted a waiver from several accountability requirements of the federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/eSEA/> or request this information from your child's district or school.
